

Prairiewoods

Franciscan Spirituality Center

Annual Report 2011

Dear Friend of Prairiewoods,

Earth's beauty is truly astounding! It can stop us dead in our tracks. We are so vulnerable to its power.

The colors themselves—a sunset, a rose, a tree in October. And shapes—a sculpted snowdrift or the moon emerging from a bank of clouds. Our souls open to the glory around us.

We at Prairiewoods feel especially blessed, for these 70 acres are indeed a sacred space where nature displays its grandeur. We love having you come, and in fact, we consider you part of the family. We even think we might know why so many of you find your way to Prairiewoods on a regular basis.

How do we know? You've told us! You are looking for a space—a space where you can find a solid anchor for your soul. You've said that there are times when you yearn for silence, a gentle refuge for solitude, a place where you can hear your own voice and the voice of the Holy One who speaks from within.

You've said you long to be with someone who can help you pull your own life forward. You want a place where healing happens, where there are others like you who are looking for new ways of being, looking for the deep Source of all that is.

We are delighted when you come, and it is our wish that we can continue to offer you the possibilities you seek.

This is why we are reaching out to you with this annual report, asking again for your help in keeping the spirit of Prairiewoods alive. We need you in order to

revitalize our own energies and plan for a future of hope.

With your support, we can continue our mission of offering retreats, programs and services that restore vitality to our souls.

As we look ahead to another year and listen to the hopes and dreams of our very dedicated staff, we trust that this Center will continue to be a spiritual resource, a place where purpose, meaning and direction illuminate the way. Your gift to us will be a sustaining force, allowing us to do the work we feel to be vital.

Our endowment fund has been growing gradually, and we are grateful because that means we can serve you well into the future. Prairiewoods is a 501(c)(3) nonprofit organization, so your gift is tax deductible.

In thanking you for your generosity, the staff sends you the blessings of peace, joy and good health. We invite you to drop by any time to walk in the woods, enjoy the quiet of the meditation room, explore the library or gift shop, or just visit with us.

We wish you all the joys of this holy season.

Blessings to you,

Joann Gehling, FSPA

Year in Review

150

Nights in the Guest House and Hermitages

“God is present,” Thomas Merton writes, “and his thought is alive and awake in the fullness and depth and breadth of all the silences of the world.” Guests find this silence in a busy world by retreating to the Prairiewoods guest house and two hermitages. Visitors spend a monthly average of 150 nights on our grounds, nestled in 70 acres of woods and prairie.

15

Programs & Retreats

From Nature Fest to lunches with Red Hat Society groups, Prairiewoods offers about 15 programs and retreats each month. Last year’s events included a bread baking retreat, artist workshops, classes about owls and prairie restoration, and a nine-month retreat on spiritual exercises.

553

Meals Served

Prairiewoods focuses on spirituality, ecology and holistic health. What better way to nurture our health while honoring Earth than through serving fresh, nutritious meals made mostly from local, organic ingredients? Our on-staff chefs serve an average of 553 meals—breakfast, lunch and dinner—to our guests and visitors each month.

An Average Month at Prairiewoods from July 1, 2010–June 30, 2011

74

Holistic Services

Prairiewoods offers a number of holistic services, such as massage, reflexology and healing touch spiritual ministry. Our therapists perform an average of 74 services a month. One of our most popular holistic programs is our monthly Day of Self Renewal, in which participants receive a guest room for the day, a fresh lunch, a group Guided Meditation and two holistic services of their choice. It's a great way to recharge the body and renew the spirit!

159

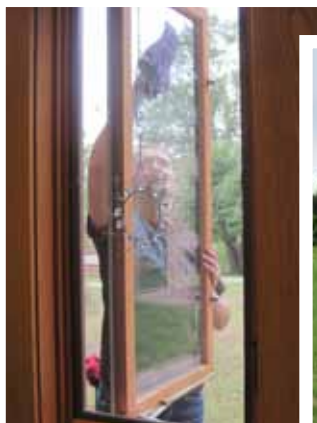

Spiritual Direction Sessions

Henri Nouwen writes, "The spiritual life does not remove us from the world but leads us deeper into it." At Prairiewoods, individuals can meet with a trained spiritual director to help guide them through their personal spiritual journey. The six spiritual directors at Prairiewoods hold an average of 159 spiritual direction sessions each month.

265

Volunteer Hours

According to the Independent Sector, the monetary value of volunteer time in 2010 was \$21.36 per hour. With 265 hours donated to Prairiewoods each month, we receive almost \$68,000 each year in volunteer help, ranging from cooking to prairie maintenance!

Our Donors

We are grateful to all who contributed to Prairiewoods in the past fiscal year (July 1, 2010, to June 30, 2011). Whether you volunteered your time, shared your garden produce or wrote a check, we appreciate your generosity!
